

# Eighth Notes

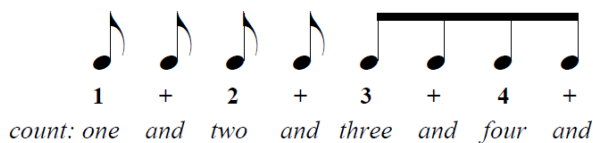

(Rhythm - 4)

## Eighth Note Review

An eighth note looks like a quarter note with a flag. If two or more eighth notes appear in a row, the eighth notes are connected with a beam.

An eighth note has a value of half of a beat. When writing the counts, use a plus sign (+) for eighth notes.

## Eighth Note Exercises

Please write in the counting for each line of rhythm (don't forget to follow the meter!)
